

Trinity River National Wildlife – Volunteer Vacations 2024

November 3rd - November 9th

601 Fm 1011, Liberty, TX 77575

Quick Facts:

- Project Rating: Easy
- Group Size: 2-8
- Project Type: Day Hiking
- Accommodations: Cabin
- Temperature:
 - Average High: 73°
 - Average Low: 51°

Project Description:

- Join this project and help maintain access to a trail system that winds through bayous, oxbow lakes, privet swamps, and cypress-tupelo swamps! Trinity River National Wildlife Refuge is home to 22 actively-managed trails. They are styled as primitive trails to give the visitors ‘a walk in the woods’ type of experience. Paseo de los Patos Trailhead, located at the scenic Champion Lake Public Use area, is home to our newest 2 miles of trails where an interpretive Scat Exhibit can be found along the trails.

Offsite Activity Description:

- Volunteers may use host’s kayaks and canoes for paddling on Champion Lake. Or, they may use the work vehicle to visit other federal and state public lands in the area. Big Thicket National Preserve, Sam Houston National Forest, Anahuac National Wildlife Refuge, McFaddin National Wildlife Refuge, and Lake Livingston State Park are all within a one-hour drive from the lodging site.

Area and Attractions:

- Trinity River National Wildlife Refuge is located in the floodplain of Liberty County in Southeast Texas. The habitat is bottomland hardwood. The area is relatively flat and elevation is only 45 feet. The area hosts bayous, oxbow lakes, privet swamps, and cypress-tupelo swamps.

Travel Details:

- Intercontinental Airport of Houston in Houston, Texas is the closest major airport. Airport pick up and drop off is available for volunteers and will be arranged upon confirmation of the trip.
